This agreement is between the U.S. Superyacht Association (USSA), the cruise organizer, and the sponsoring member company (company) for the underwriting of the USSA Networking Canal Cruise on Tuesday, November 17, 2009 in conjunction with METS in Amsterdam. This agreement becomes effective and binding when signed and returned with payment to the USSA.

Sponsorship includes the underwriting of barges, beverages (beer, wine, sodas & water) and hot hors d'oeuvres, wait staff and offers marketing & press exposure through the USSA and provides a venue for networking opportunities with other USSA members and guests. The USSA will include a 3'x6' vinyl banner with company logo for the Platinum Sponsor(s). It will be displayed on the barge along with the USSA banner. No other banners will be displayed.

By presenting this completed agreement, the company agrees that it has read, understands and will comply with the terms and regulations of RAI Special Events (the event organizer) and the USSA (the cruise organizer), including all other parties mentioned in the Terms and Regulations. A full copy of the exhibition terms and regulations are on file with the USSA, a copy of which can be obtained upon request from the USSA.

Furthermore, the company agrees to be subject to the same cancellation policy stipulated by the event organizer for the USSA's participation at the event. The member company agrees to hold harmless, indemnify and defend the USSA for any claims for damages, injuries, costs and fees arising out of this agreement or member's participation in this event.

Payment for sponsorship is due upon completion of this Sponsorship Agreement. The USSA will generate an invoice within 5 days of receipt. I also agree that my company and its employees will abide by the bylaws of the USSA.
